FERRY CLARENCE TAN

I am seeking a position as a web or game developer where I can utilize the skills and knowledge I've gained from my previous experiences and hobbies. This role should offer opportunities for managerial experience and foster both career development and growth.

PROFESSIONAL EXPERIENCES

Senior Technical Support Specialist

Philippine EDS Techno-Service, Inc.

06/2023 – 09/2023

Parañaque City

- Modify existing MS SQL queries based on client's requests
- Develop MS SQL Stored Procedures based on client's requests
- Develop new C# applications as per client's request
- Brainstorming with the team for ideas and solutions for the client's requests
- Develop an Asset Management System using Laravel, Vue.js, Inertia.js, Tailwind CSS, Flowbite UI components, MySQL in Ubuntu Server 20.04 environment

Full Stack Developer

Elgada BPO Solutions, Inc.

01/2023 – 04/2023

Makati City

- Develop front end website architecture.
- Design user interactions on web pages.
- Develop back-end website applications.
- Solve complex performance problems and architectural challenges.
- Build efficient, testable, and reusable applications.
- Create servers and databases for functionality.
- Ensure cross-platform optimization
- Ensure responsiveness of applications.
- Work alongside graphic designers for web design features.
- See through a project from conception to finished product.
- Design and develop APIs.
- Meet both technical and consumer needs.
- Stay abreast of developments in web applications and programming languages.
- Support legacy applications that are written in PHP.
- Other tasks as assigned by management.

PHP Developer

AMDATEX Las Piñas Services, Incorporated

01/2022 – 06/2022

Las Piñas City

- Planning and development of system features
- Setup and deployment of systems
- Maintenance of systems
- Team collaboration

IT Developer

Transcom Worldwide Philippines, Incorporated

12/2019 – 05/2021

Mandaluyong City

- Handling request and incident tickets from clients
- Creating and modifying reports
- Creating test case documents
- Creating change request tickets
- Creating MS SQL jobs

PHP Programmer

SM Mart, Incorporated

05/2018 – 01/2019

Pasay City

- Full SDLC of system features and functionalities
- Automation of reports and clearing of logs
- Uploading of e-learning content to the system
- Handling user concerns through phone call or email

Training Specialist

Tulay sa Pag-Unlad, Incorporated

11/2015 – 04/2018

Makati City

- Creation of e-learning content
- Photo, audio and video editing
- Voice over recording
- Graphic designing
- Photo shooting
- Troubleshooting user account concerns
